Business & Technology Training for
Co-operative & SME Bankers

The online training platform for Co-operative & SME Banks

The Challenges

- Co-operative banks lack training at par with their commercial counterpart
- The Banks can't afford travel or high expenses for training their staff
- The Banks have difficulty in enrolling right speakers

The Opportunity

- To empower your teams with training within your own premises or from individual hand-phones
- Have the best speaker to train them
- Train on latest advanced topic on weekly basis

The Advantage

Take advantages of Digital India and empower your staff through mobile and online channels

Training need for Cooperative Sector

The sessions will be provided by eminent speakers who are experts from the Industry across India. Banking frontiers would cherry-pick speakers based on their expertise to bring you nothing but the best for every topic

- a) Program can be taken in any location provided you have connectivity
- b) The attendee can listen to a live speaker who speaks at the session
- c) The sessions will be recorded for future reference
- d) Banking Frontiers would source the best of the speakers on every topic from time to time and present to the audience
- e) The training will be facilitated by our digital platform 'FinBizness' (A brand of Finopedia Digital Pvt. Ltd.)
